

## Power Condenser

**00807** 12 Volt

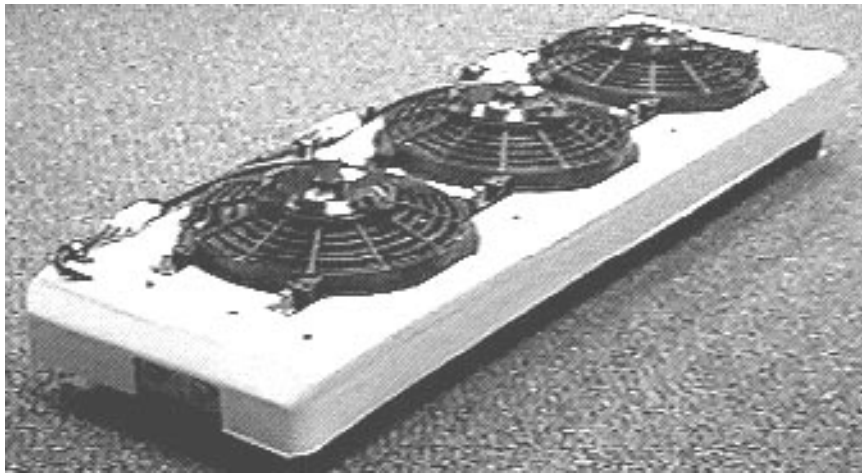

**00807-1** 24 Volt

**50,000 BTU**

**Skirt mount**  
**High capacity condenser with twin coils and 2 - 10" high performance puller fans**  
**20 gauge steel construction**

**Height- 12.25 Width-29.5 Depth-11.75**

**52,000 BTU**  
**21 AMP**

**H-7.0 W-40.0 D-13.0**

**00818**

**Low profile design for many applications**  
**Machined block for secure hose connections.**  
**Can be roof mounted , or under chassis, etc.**
